MANHATTANVILLE TOWER

MANHATTANVILLE TOWER

MANHATTANVILLE TOWER

Manhattanville College
Purchase, New York

**At Manhattanville we are family;
living together, working together, playing together —**

**learning, forever learning;
each one of us making a unique
and special contribution
to the community.**

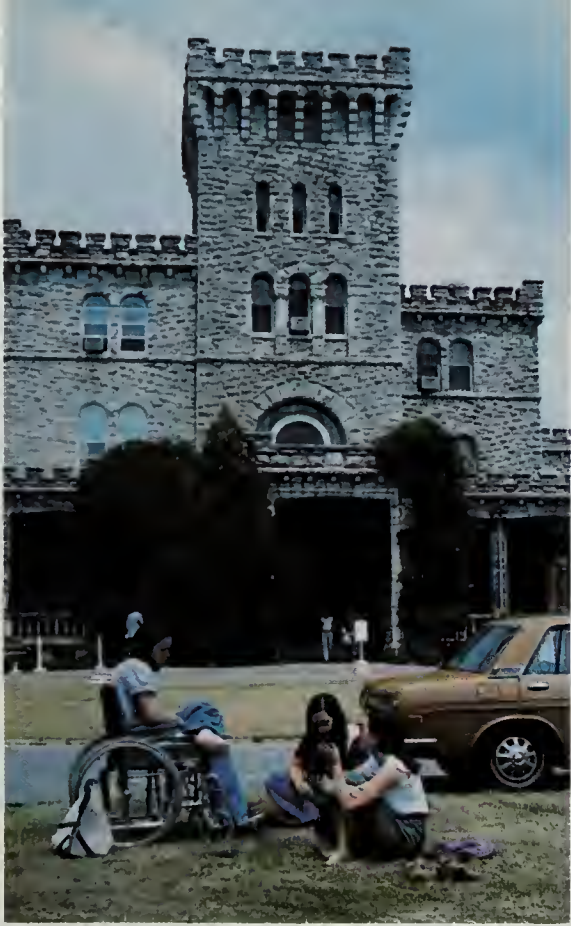

**Without each one of us, there would be no family, no
Manhattanville.**

**We students come here, like caterpillars
just emerging from their cocoons,
to experience a new mode of existence . . . and experience
we do.**

Small community life challenges us to penetrate the masks that sheathe other people. In return, it demands that we reveal ourselves. Our interactions with one another starts a metamorphosis. We change, we grow — becoming more of whom we are.

**During our time here,
we share our rooms, our meals, our classes, our ideas.**

**In short, we share our lives with one another.
This exchange creates bonds . .**

**It also creates schisms.
 Yet, because we abide in such a close environment,
 We must learn to communicate.
 By working to resolve our differences,
 We discover ourselves; we strengthen our identity.**

**Each one of us brings a new element
Our Impact alters,**

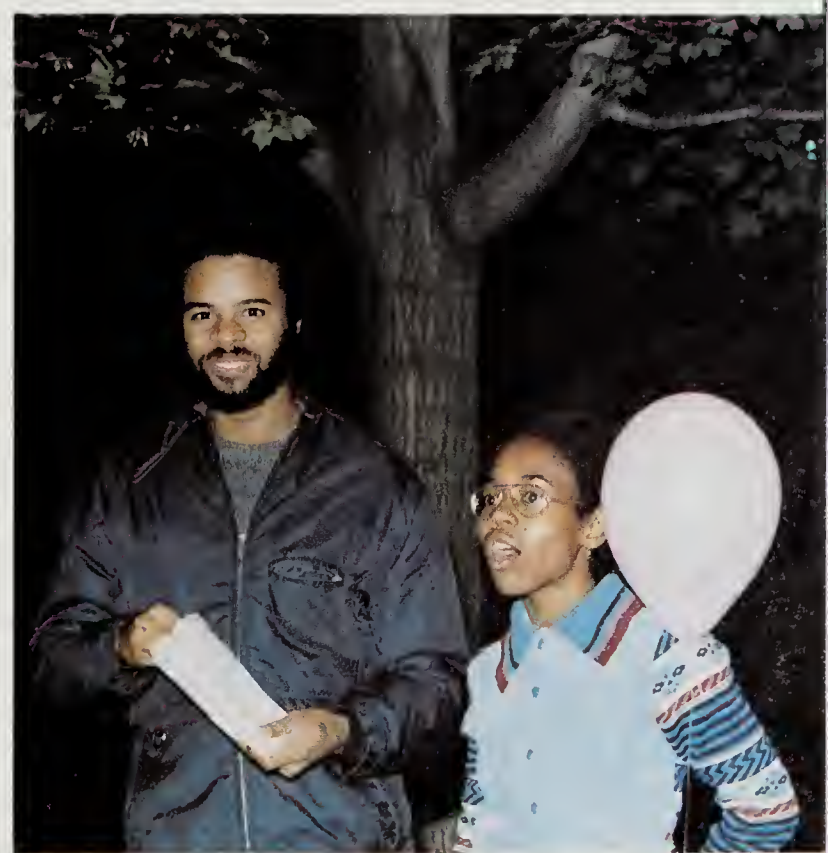

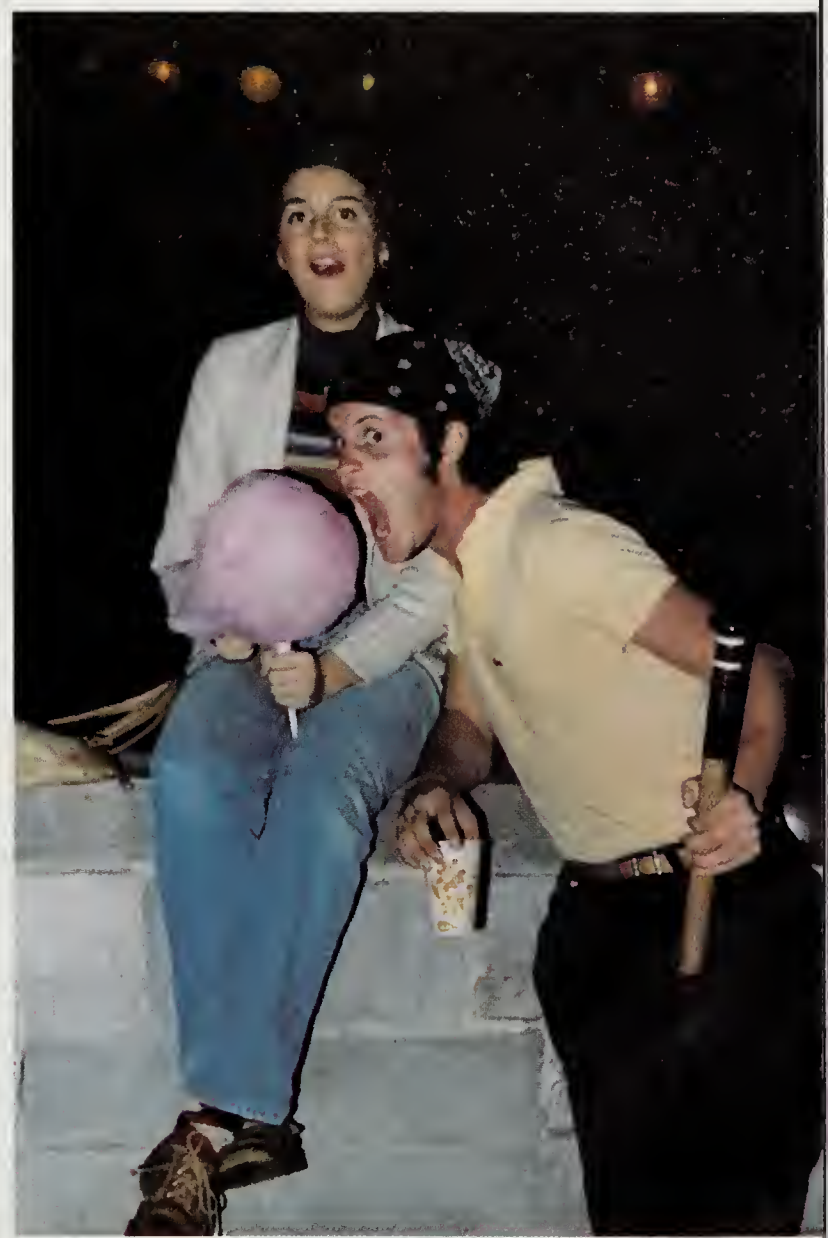

**to the lives we touch.
but our very presence always effects others,
giving us new insights or added wisdom.**

**Manhattanville
is a community
of individuals.
Playing on a team,
working with a group,
just having fun
with one another,
reinforces
our sense of family.**

Dedication

The staff of **TOWER 1979** finds it most appropriate to dedicate this yearbook to **Mr. George Modzelewski** for his contributions, devotions, and long heart-felt years of interest in the Manhattanville community.

Mr. Modzelewski was born in Rowne, Poland and it was here that he graduated from high school. He furthered his education at the University at Wilno where he received a M.S. in Physics and Mathematics.

In 1949 Manhattanville College of the Sacred Heart began to consider introducing Physics into their curriculum and in November of that year Mr. Modzelewski arrived from Poland to fill that position.

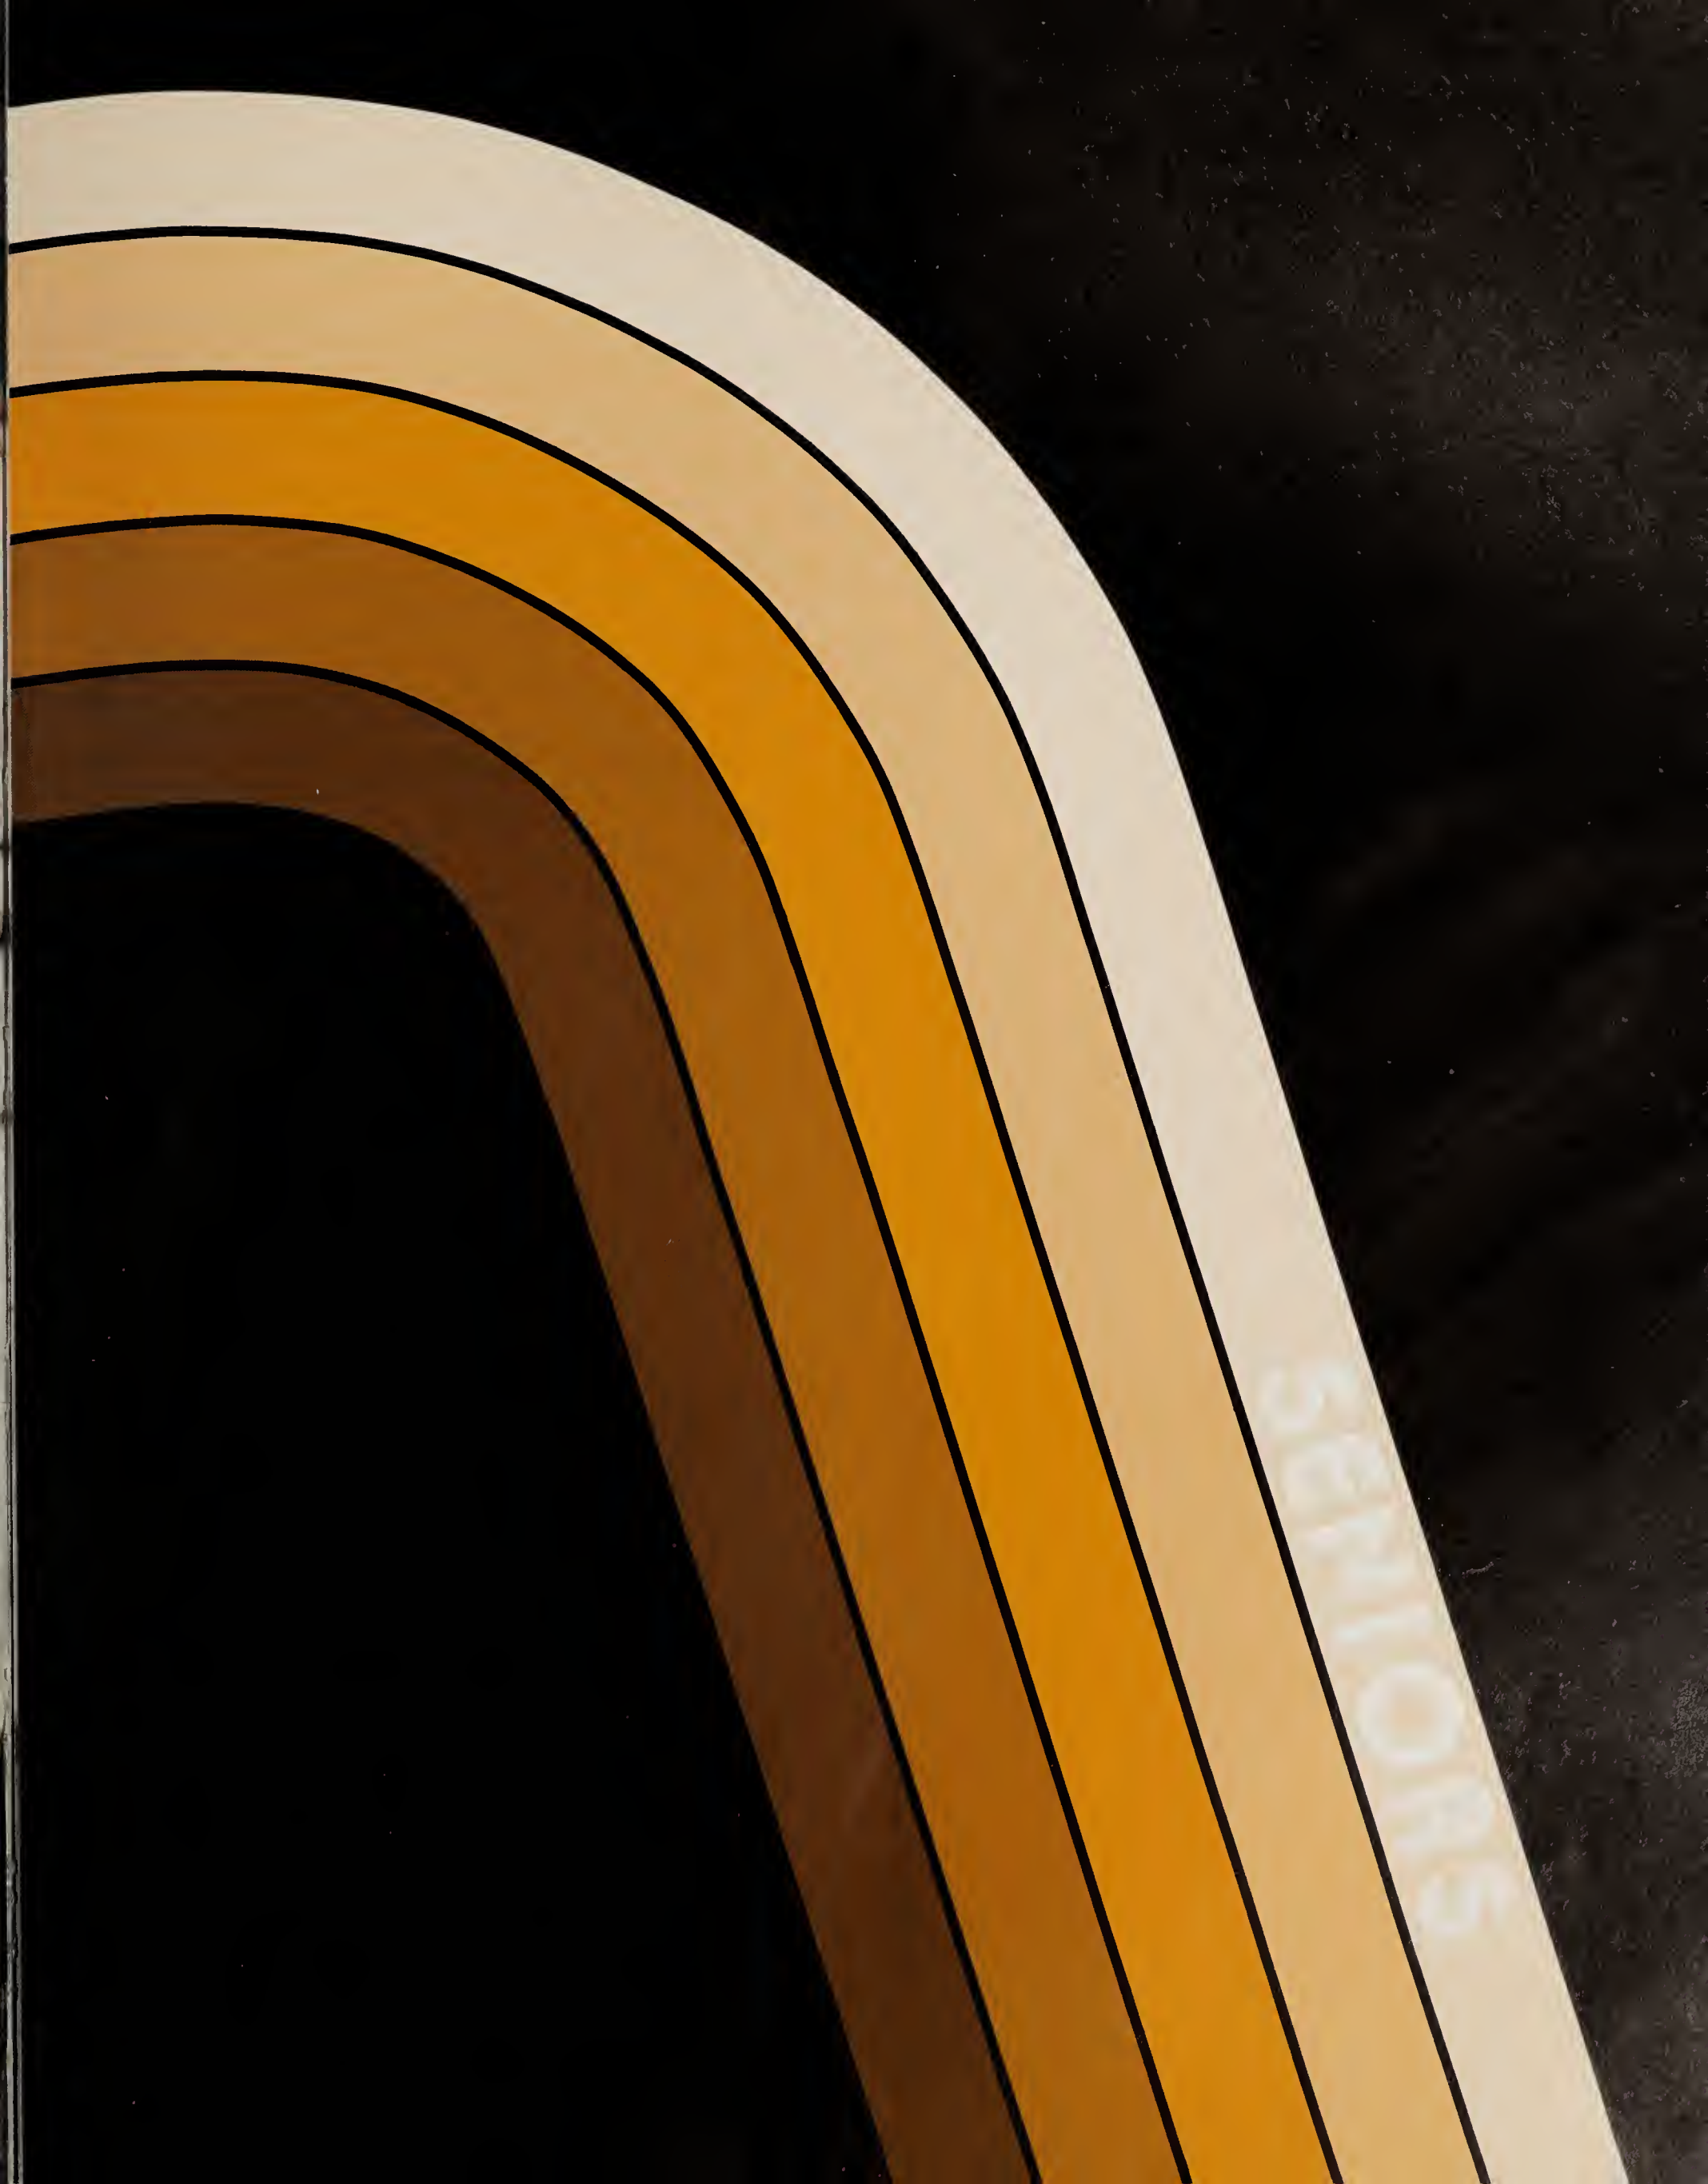

He lived on the Manhattan campus until the College relocated in 1952, at which time he and his wife also moved to Purchase. He has three children. His two daughters are Manhattanville alumni and his son is in the service.

Mr. Modzelewski managed the observatory that was soon built on the Purchase campus. It is in answer to his calls or signs of "Come see Moon" that a Physics-oriented or curious person would find him/her self at the famed observatory (located to the far right of our Soccer fields).

In 1978 Mr. Modzelewski received the Distinguished Teacher Award at Manhattanville. This award is indeed very fitting for a man who has dedicated 30 years of his life to Manhattanville. He is a valuable person to our community, not only in the Physics Department, where he is Chairman; but to the community as a whole. Riding his bicycle around campus, visiting in the cafeteria, or seeing to it that his students fully grasp and understand their work are ways in which he gives of himself.

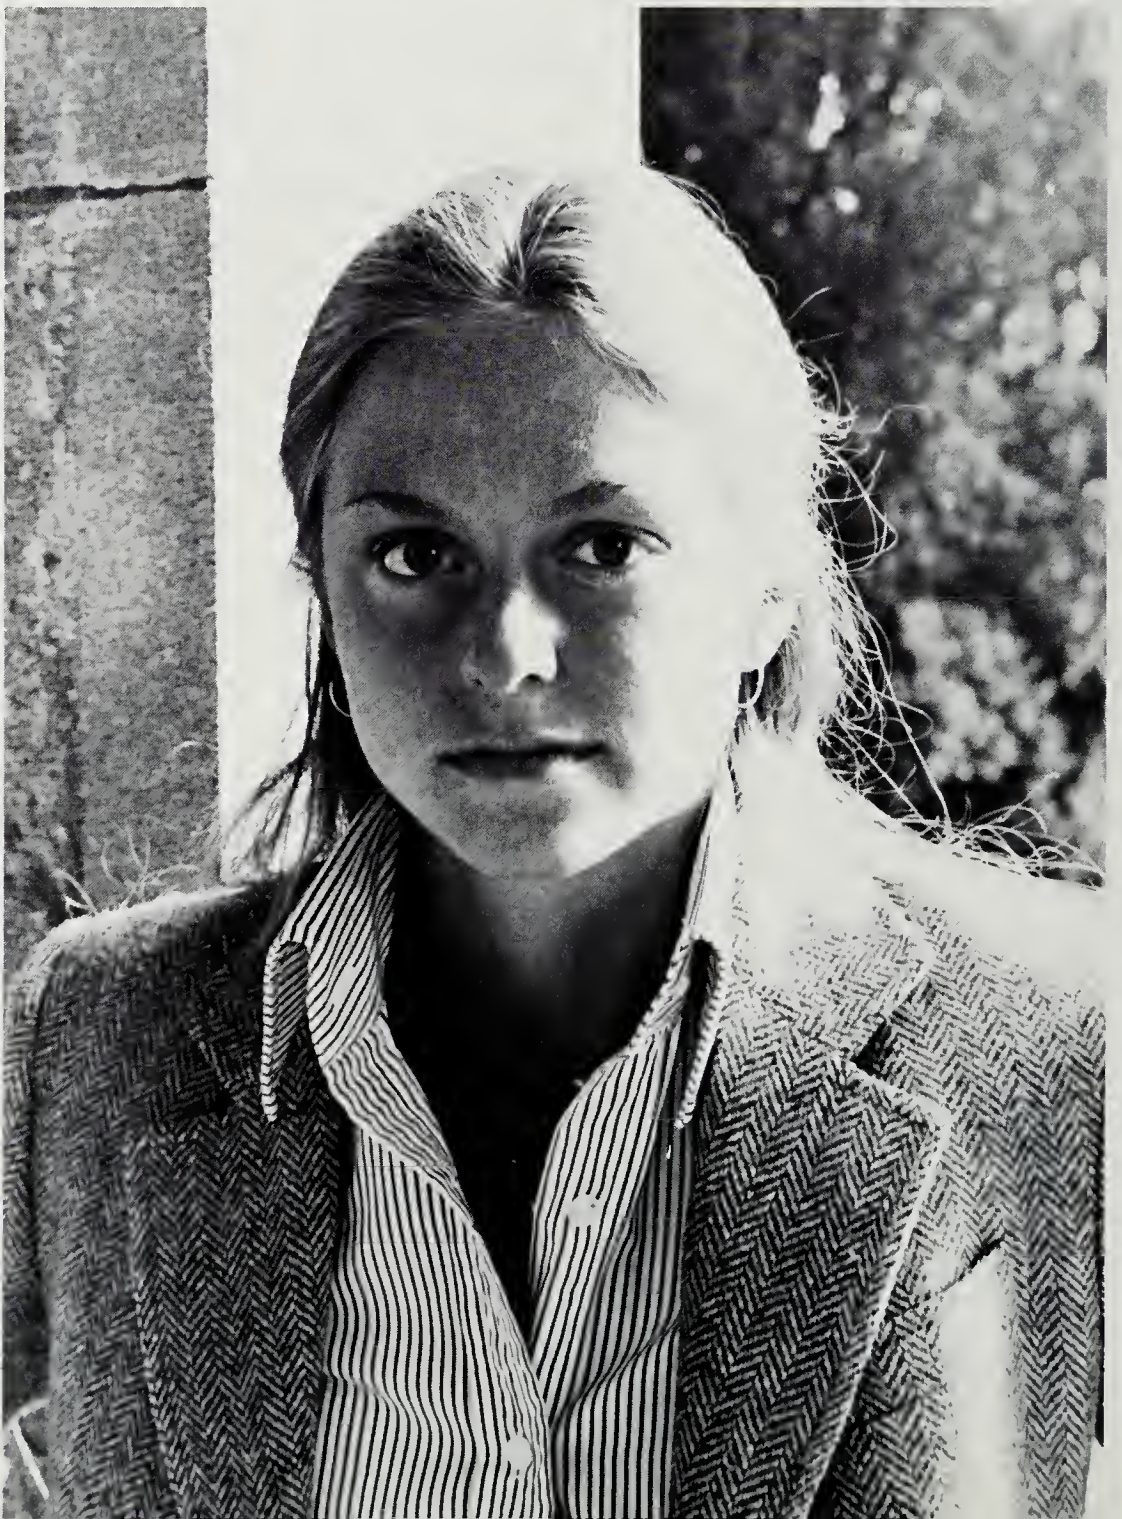

In gratitude, **TOWER 1979** is proud to dedicate this yearbook, which is the largest in the school's history, to Mr. George Modzelewski.

MEN'S BASEBALL

Being a member of last year's Manhattanville baseball team was one of the most rewarding experiences I've ever had in sports. A lot of students and faculty may not even know about this team, but believe me it exists. The enthusiasm shown on and off the field was overpowering. The generator of this spirit was Mr. Frank Forker who took a bunch of guys (some who hadn't picked up a baseball bat in years) and shaped them into a team; everybody had a chance to play. The record for the team was 2-5, not a very long season, but it was a step in the right direction for this new and upcoming team at Manhattanville. The most notable game was against Lehman (whom M'ville beat twice) in the Bronx. The girls softball team was playing Lehman also that day; both teams being in clear sight of one another. The guys won 14-9 with Lee Albertson getting the win; the girls also won 14-11. Some of the returning players this year will be Timmy Maloney, Jim "Screwball" Nunnely, Danny Jarvis, Keith Forker, Mike Caslin, Omar Valdes, Jerry "Majjew" Blitefield, Michael "Flash" Forker, and myself.

by Mike Trant

Kneeling: D. Vernes, M. Micheli, J. McCluskey, S. Roujansky (captain), Standing: S. O'Brien, D. Green, M. Davison, K. Casey, A. Driesse, R. Isaacs, N. Dyer, R. Clark, Walter Hauck (coach).

WOMEN'S SOFTBALL

The women's softball team played its first official Varsity season in 1978. Inspired by the enthusiasm of Coach Walter "Billy Martin" Hauck, the team posted a 9-2 record, highlighted by a 14-11 victory over state-ranked Lehman College. Led by the awesome pitching of last year's MVP, Anne Driesse, the team is looking forward to another successful season in 1979.

by Nancy Dyer

MEN'S SOCCER

Arnie's Army

First row: P. Magnan, K. Forker, B. Franco, O. Mena, B. Haynes, M. Foster. **Second row:** B. Lahart, P. Hotzoglou, K. Nekvasil, A. Heikoenig, G. Choron (co-captain), R. Murphy, T. Doyle, J. Nunnally, R. Ochrym (co-captain), Arnie Ramirez (coach), **Missing from photo:** Karen Kolb (manager).

This year's soccer team, led by senior captains Greg Choron and Ron Ochrym, finished the season with a 7-6-2 record. The season ended with three straight victories in which the opposition scored only one goal against Paul Hotzoglou and the defense. The defense was round, led by veterans Alfred Heitkoenig and Ron Ochrym; plus two rookies, Ben Franco and the most dedicated player, Bill Lahart, who were both essential to the strength of the Manhattanville defense. The offense, led by the most valuable player Oscar Mena, Keith Forker, and Greg Choron, compiled most of the scoring during the year. Assisting the ball were Rick Murphy, Bruce Haynes, Michael Foster, Paul Magnan, Kalju Nekvasil, and Jim Nunnally. Other players who were important to the success of this year's team were Ted Doyle who was chosen as the most improved player, Bruce Foote, and Dick Manico.

One last note, behind every team there's a coach. In the case of Manhattanville, Arnie Ramirez holds that job. Arnie is a credit not only to the team but also to the school.

by Ron Ochrym

WOMEN'S FIELD HOCKEY

Kneeling: S. Devlin, B. Kearns, A. Driesse, N. Dyer, E. Regan, S. Alfin, E. Cleaves. **Standing:** S. Krieger, R. Clark, D. Vernes, K. Casey (co-captain), D. Green (co-captain), K. Izzo, Pat Harnisch (coach).

The Manhattanville Women's field hockey team enjoyed it's most successful season ever this fall. Led by co-captains Debbie Green and Kathee Casey the Lady Valiants ended the season with a very impressive 10-8 record. Coach Pat Harnisch arranged a very challenging schedule with such schools as Cornell, Princeton, Hartwick and University of Rhode Island.

The highlight of the season was a post season berth in the EIAW Northeast Regional Tournament held in New Hampshire; something never before accomplished by a M'ville field hockey team. Manhattanville fought a tough battle in the opening game against perennial powerhouse, Dartmouth, but eventually lost 4-1. In the consolation game, however, Manhattanville refused to be kept down and came firing back against a stunned University of Maine team, beating them 4-3. The Lady Valiants' performance in this tournament did, indeed, make many heads turn; and established them as a major threat in the East.

With all but two players from this year's squad returning next year, the future looks very promising for this talented Manhattanville squad.

by Kathee Casey

Women's Swimming

First Row: A. Venney, C. Schuld, D. Vernes, J. Felice, C. McDermott, L. Walsh, C. Driscoll. **Second Row:** L. Wilson, D. LaPorta, P. Burns, A. Synnott (co-captain), N. Dunn, C. Minutoli. **Back Row:** N. Brennan, C. Konop, J. Byrne (co-captain), B. Schuld, C. Schaefer, L. Konop. **Missing:** John Collins (Coach), Jon Hahnfeldt (Diving Coach), Tricia Lynch (Manager).

The Manhattanville women's swimming and diving team, led by co-captains Judy Byrne and Alyce Synnot, has set three goals for the 1978-79 season: to improve last year's 5-2 dual meet record, to win the New York Metropolitan and New York State Championships for the third consecutive year, and to better last year's second place finish in the National AIAW Division II Swimming and Diving Championships by capturing the title in Reno, Nevada.

Coach John Collins has twelve returning letterwinners in addition to eight new freshmen comprising this young and talented squad. Eight who earned All-American status last year are:

Judy Byrne, Sophomore, in the breaststroke events.

Colleen Driscoll, junior, in the distance freestyle events.

Nancy Dunn, sophomore, in the breaststroke and individual medley events.

Judy Felice, sophomore, in the breaststroke and individual medley events.

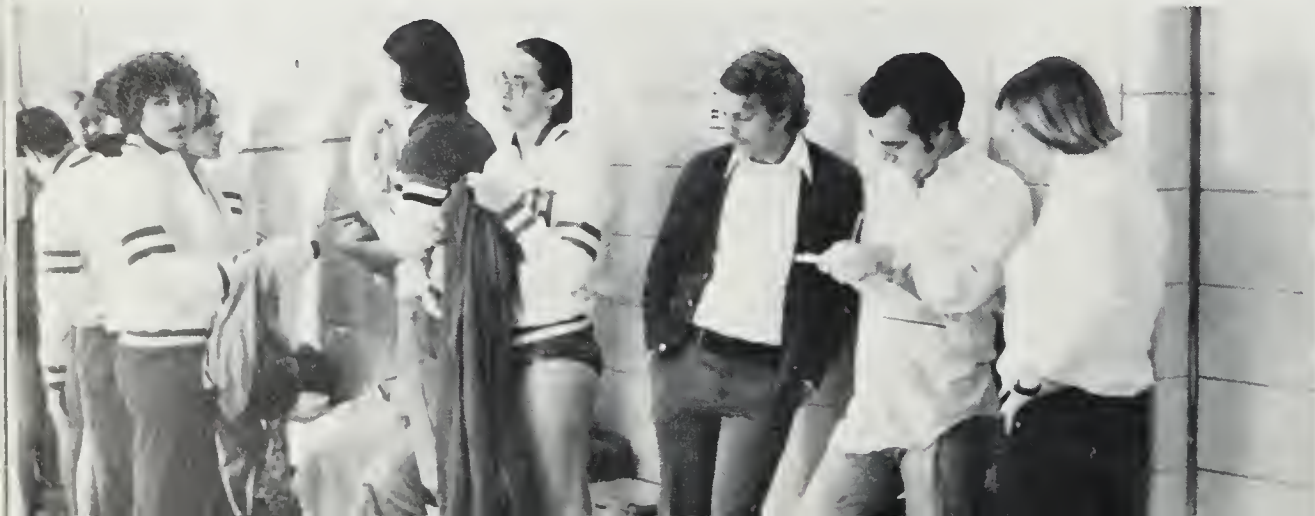

Liz Konop, sophomore, in the backstroke.

Peggy Scollins, junior, in the spring freestyle events.

Alyce Synnot, sophomore, in the diving events.

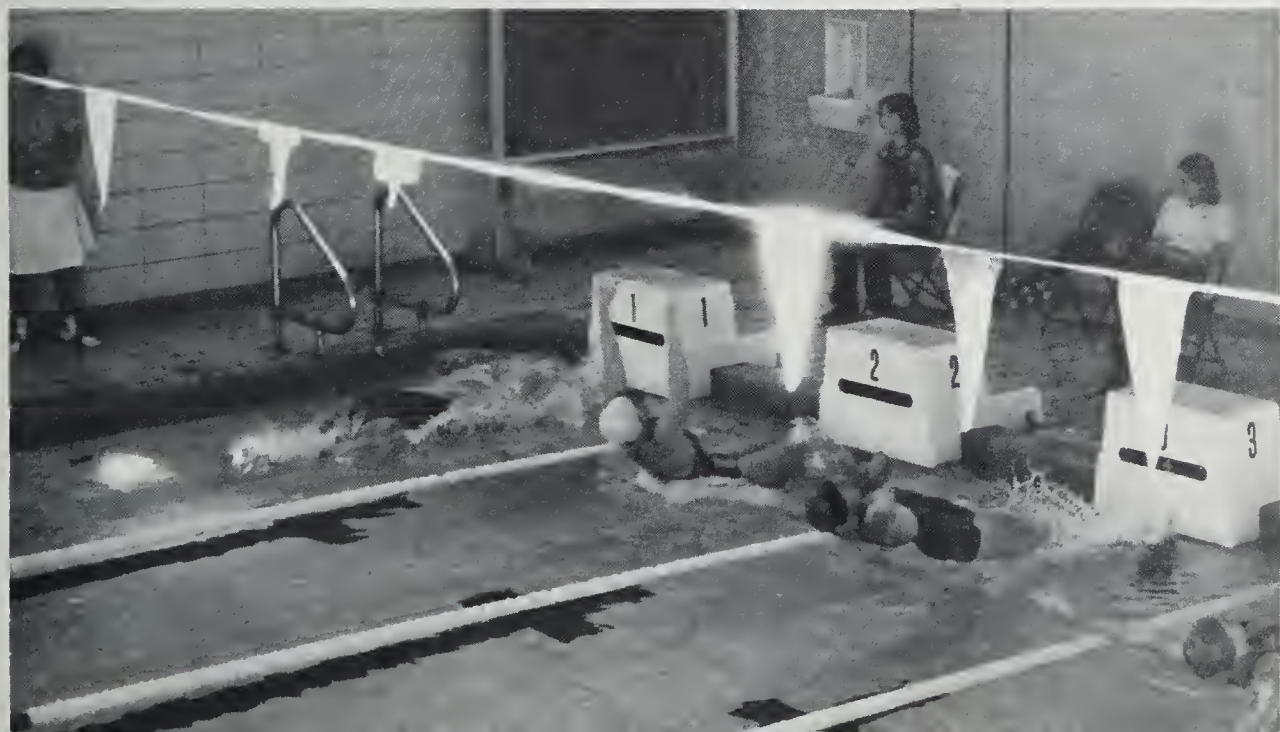

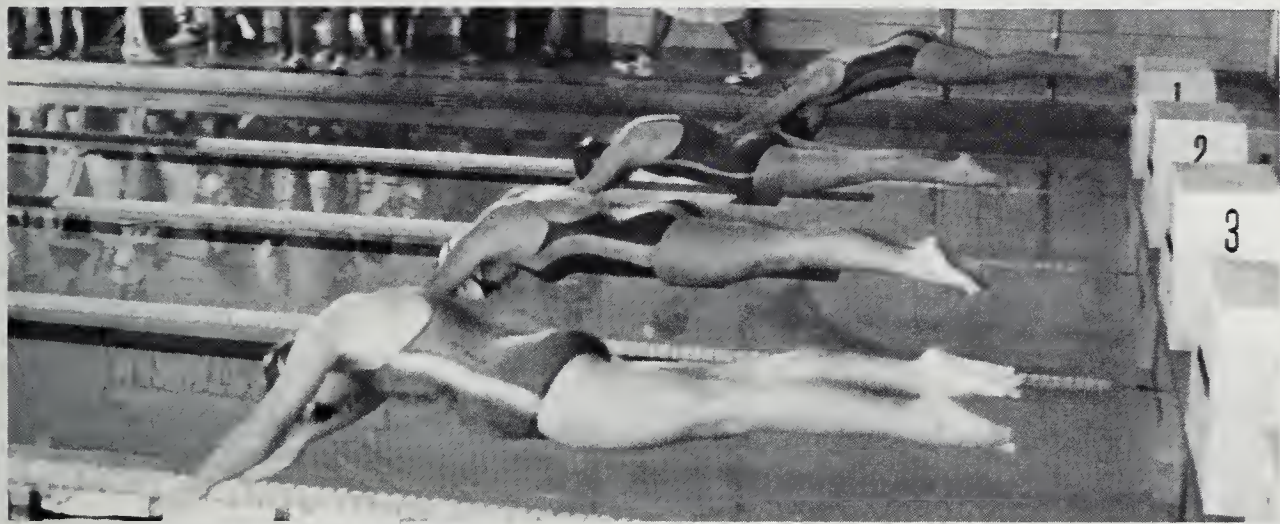

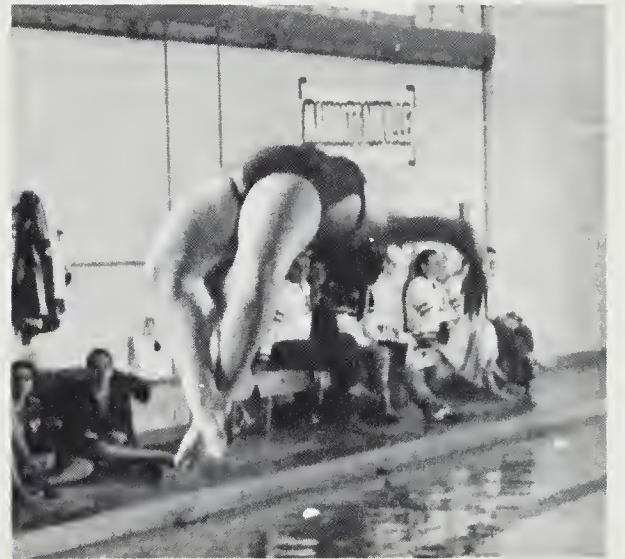

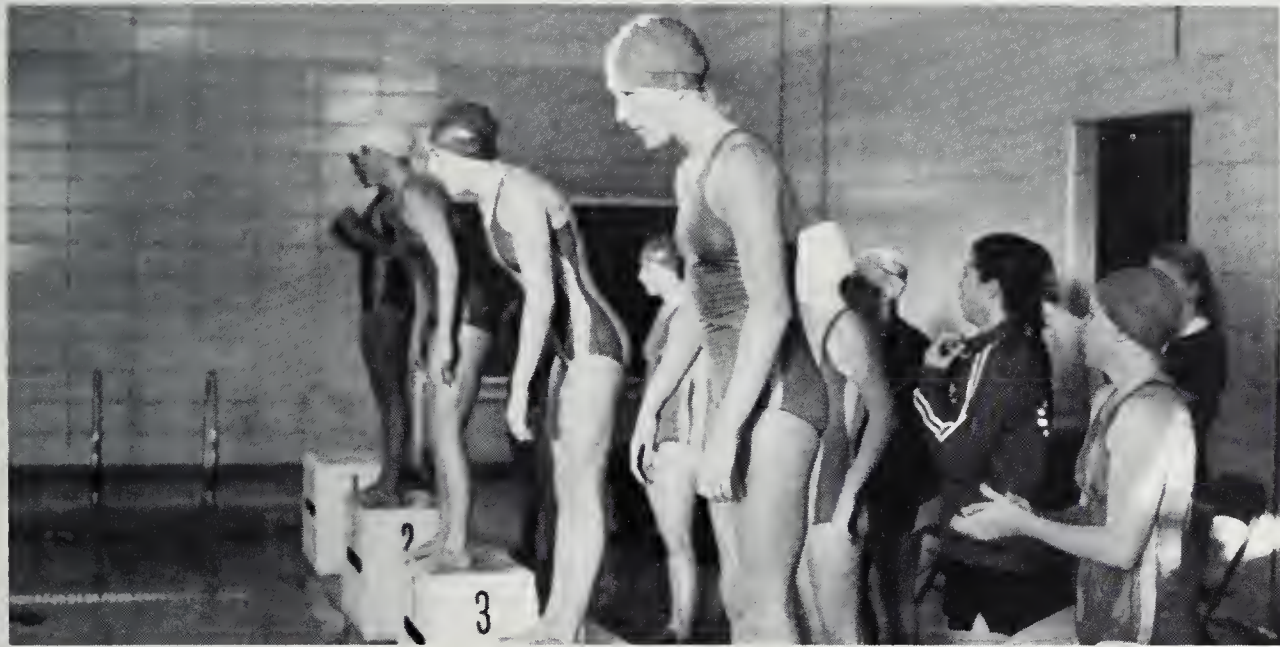

Debbie Vernes, junior, in the distance freestyle and individual medley events.

by Judy Felice

Diving Squad
Jon Hahnfeldt (coach), P. Burns, A. Synnott.

MEN'S BASKETBALL

Men's Basketball: 1st Row T. Eyes (Co-captain); H. Rowson; R. Dunphy (Co-captain); D. Thomas; G. Amoro; **2nd Row** Ralph Tedesco (Assistant Coach); D. Senatore; R. Mitchell; K. Forker; F. Roel; B. Lahart; **3rd Row** E. Williams (Manager); M. Faillia; V. Fiorentino; D. Bass; Coach Tim Cohane.

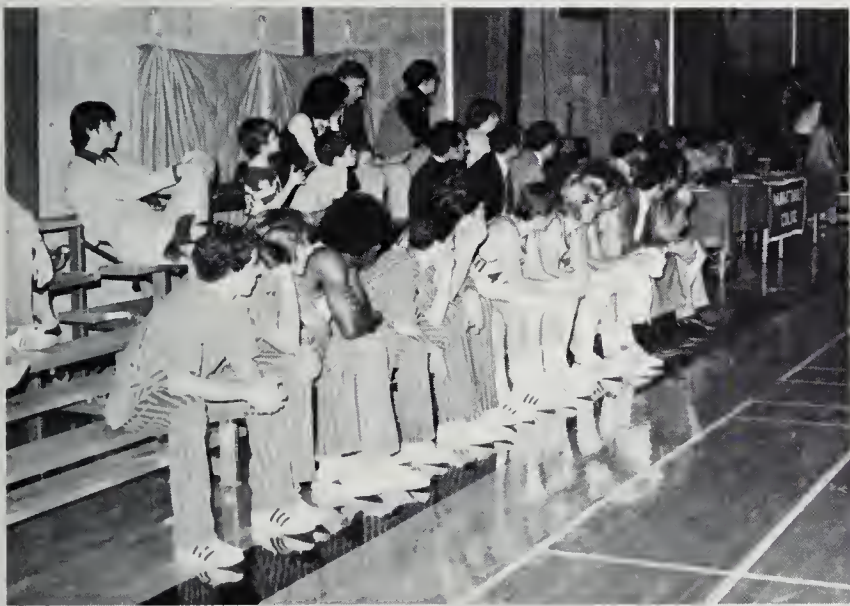

Seniors Harold Rowson, Ted Eyes and Roger Dunphy (Captain for the fourth year) lead a crew of seven players back from last year's NCAA Eastern Regional team. The seven veterans are joined by four freshman and one transfer, three of which are 6-6 forwards, to form the tallest and possibly the strongest Valiant team ever.

The Valiants, after beating a touring team from the Republic of China and winning their first three regular season games face their strongest schedule ever. The schedule will be highlighted by a first ever clash with an NCAA Division I power, Dartmouth, a return trip to Florida and numerous clashes with Eastern NCAA Division II and III powers. Also highlighting the season will be Ted Eyes quest to become the first male basketball player in the school's history to score over 1,000 points in his career.

Coach Tim Cohane and his players hope to be the equal of their schedule and hope to match last year's 17-11 record. The Valiants are also pointing toward a return trip to the NCAA Eastern Regional, or at least an invite to the ECAC New York State Tournament.

by Walter Hauck

Women's Basketball

Front row: E. Levee, T. Carey, H. Bennett, (captain), L. Marnell, R. Clark. **Second row:** S. Smith, B. Kearns, A. Pinelli, E. Porricolo (assistant coach). **Back row:** Walter Hauck, (S.I.D.), Joel Daunic (head coach), Marce Davison (trainer), **Missing from photo:** T. Karish.

At the start of the 78-79 women's basketball season, Coach Joel Daunic was pleasantly surprised by the talent, spirit, and effort shown by his team. The team is small in number, and lacking in height and experience, but this is well compensated for by their personality, strength, quickness and desire. All these factors to be the essential ingredients toward the Valiant's success.

For the 78-79 squad, intense devotion combined with several new training ideas, one being Yoga, will bring out the best in each and every player. Coach Daunic's strategy for this season is relatively simple — He stresses "positive mental attitude" achieved through disciplined execution of basic plays and skills. The team motto is displayed on their practice jerseys; "Go For It." The 78-79 Lady Valiants hope to reverse last year's losing record by posting the best record ever achieved at Manhattanville.

by Helene Bennett

WOMEN'S VOLLEYBALL

1st Row: G. Hathaway, M. Davison, R. Buckborough, T. Orbine, **2nd Row:** T. Karish, M. Gordon (captain), L. Echeverri, M. Ritt, W. Bucek, Ellen Porricolo (Coach and captain). **Missing:** M. Byrne.

Women's sports are in an explosive growth cycle throughout the United States and here at Manhattanville. A new women's volleyball team was formed this fall led by senior co-captains Marce Davison and Mary Gordon. The team experienced rough going in it's first year as a varsity sport. The record was replete with losses but senior coach, Ellen Porricolo, was happy with the development of the team. With the addition of more high calibre players like freshmen Wendy Buzek, Molly Byrne, Tricia Karish, et al, the team should rise to the top of the Hudson Valley Conference in no time at all.

Kneeling: B. Seergy, A. Lahr, P. Rosenheim (captain), S. Ogawa, M. Parino. **Standing:** R. Isaacs, J. Debold, R. Roman, K. Iulano, L. McSherry, B. Crawley, Michael Hallock (Coach). **Missing:** S. Bye, E. Casa, T. Dyer, T. Carey, A. Juergens, L. Simmonds, S. O'Brien, J.M. Parisot, C. Fleming, R. Clark.

Women's Soccer

A new sport emerged at Manhattanville this year; a women's soccer team. Pam Rosenheim, a frosh from Frammingham, Massachusetts, got things rolling by forming a "Fighting Freshwomen" team. On Fall Field Festival Day, Pam and her teammates challenged the "Upper Class Sophisticated Ladies" team led by Ruth Clark to a game. The fighting freshwomen emerged victorious, 1-0, on a penalty kick converted by Rosenheim.

After this game, the two teams combined, practiced regularly, purchased some gear and ventured to Princeton to play the powerful lady Tigers. Manhattanville held Princeton close throughout the first half but, because of injuries in the second half, was unable to contain the mighty Princeton squad. Although Manhattanville lost 8-0, sophomore coach Mike Hallack was pleased with the performance and is already looking ahead towards next year.

This team appears to be one of the many up and coming teams at Manhattanville. There are eight games scheduled for next season, and with the enthusiasm and determination these Lady Valiants showed this year, it's sure to be a winning season.

**TEST YOUR
E.Q.**
(Economics Quotient)

True False

☐ ☐ (1.) Less than four per cent of the U.S. labor force are agricultural workers.

☐ ☐ (2.) Today, the U.S. ranks third in international trade.

A special booklet on our American Economic System can help you improve your E.Q.

For your free copy, write "Economics," Pueblo, Colorado 81009.

ANSWERS: (1) T (2) F

**The American
Economic System**

We should all learn more about it.
